

Gay and Lesbian Community Services Award Winning Training

pening Closets

March 16th, 2012

Helping organisations tackle discrimination and become more accessible for people with diverse sexuality, sex and/or gender.

THIS FULL DAY TRAINING WILL:

- Increase your knowledge of the needs of people with diverse sexuality, sex and/or gender
- Provide models and frameworks for understanding sexuality and gender
- Promote your service as a gay-friendly environment for staff and clients
- Explain your obligations under the revised Equal Opportunity legislation
- Provide strategies for better supporting clients

FACILITATOR:

Sandra Norman has been working for Gay and Lesbian Community Services for over 10 years and has extensive experience training in the field of sexuality. She has also worked on projects in the fields of homelessness and domestic violence and is currently also employed by secca, where she runs training on sexuality and disability.
